### PRIORITIES

SNT officers along with our ward panel members have come up with some priority issues for us to work on calming.

**Drug offences** - Sadly we have seen a rise in drug offences across the ward, with reports coming mainly around the open spaces within the ward. Officers have increased patrols around these areas in aid to tackle these offences taking place. We are trying to be in the areas such as Wandle Park, Waddon Ponds, etc. more often and we are organising an opportunity for anyone to join us for a walk around the ward in the coming months.

**Anti-social behaviour (ASB)** - In line with an increase in drug use in the ward we have seen a rise in ASB. We have had quite a few reports in the Waddon Ponds and Wandle Park areas.

If you see any of this please report it via [999](tel:999), [101](tel:101) or [online](#) whichever you find easiest.

This month, Waddon SNT got the chance to celebrate alongside the people in our ward at the street parties for the King's Coronation. It was so lovely to see so many of you there.

We also got the chance to spend more time with the lovely councillors looking after Waddon by going on a walk around the ward. When doing so they told us some of the issues that they have had raised to them by yourselves and we did the same for them. We are hoping to make these a more regular occurrence and anybody is welcome to join us for these walks.

If you have any events coming up and wish us to attend just send us an email and we will respond as soon as we can.

### OTHER NEWS

The team executed a warrant earlier this month due to intel suggesting that there was drugs being dealt from some addresses. These were a success and we managed to get Waddon that bit safer.

Waddon SNT recently got a new twitter which we attempt to put updates on once a week at a minimum. Please do follow us to keep up to date with what the team are doing on [@MPSWaddonSNT](https://twitter.com/MPSWaddonSNT).

*If you would like to receive the monthly update and get the latest statistics and information in please email the team and ask to be on our mailing list .*

In an emergency,  
always dial 999

**999**
