

# DOORSTEP CRIME DON'T DEAL AT THE DOOR

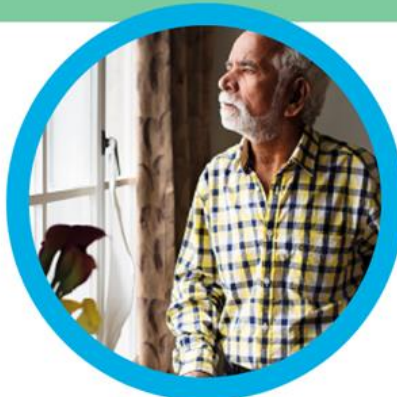

**Doorstep callers are not always as genuine as they first appear. Some are criminals.**

**They may knock on your door then lie, cheat and trick you into giving them money for work in your house or garden.**

**This work is often unnecessary, and prices charged are excessive.**

**Some doorstep callers pretend to be somebody official, perhaps from a water or gas company, or the council, saying that urgent work needs to be undertaken.**

**If in doubt, keep them out!**

**Report it!**
